Title:	By-Law 101 Night		
Description:	<p>Twice per year (fall and winter) SCSN throws a By-law 101 Night! This event is aimed to teach students everything they need to know to be a good neighbour and avoid getting ticketed.</p> <p><i>What is it?</i> <i>Who is involved and who is the audience?</i> <i>Where did it happen?</i> <i>When did it happen?</i> <i>Why is it being done?</i></p> <p>This event is very casual. We set up in a high traffic area like the campus bar or the student centre. We created large posters depicting by-laws in an aesthetically pleasing manner and display them on easels.</p> <p>Students can wander through and ask any questions to a By-law officer or Community Assistant. We typically provide free food as an added incentive to attract people.</p>
